ART PUBLISHERS TO THEIR MAJESTIES THE KING & QUEEN.

The Bell Inn, Stilton, is a picturesque survival of the "good old days" when coaches were the only public method of conveyance about the country. It bears the date 1642, though it is supposed to have been erected some years previously. Here, in the heyday of its fame, thirty-six coaches passed by or stopped every day. It possesses a quaint old sign with some beautiful ironwork on the supports.
